

TAPSS 2020

Trans-Atlantic Plastic Surgery Summit
14 - 16 June 2020 / Reykjavik - Iceland

INVITATION TO SPONSORSHIP

We are pleased to invite you to join us in Reykjavik at our Trans-Atlantic Plastic Surgery Summit (TAPSS), a combined meeting of the Scandinavian Association of Plastic Surgeons (SCAPLAS) and the American Society of Plastic Surgeons (ASPS) in Reykjavík, Iceland taking place in June 2020. The 17th Nordic Burn Meeting and the 10th Nordic Congress of Nurses in Plastic Surgery will also be a part of the Summit.

This is the first meeting of its kind – a plastic surgery-focused summit that brings surgeons, nurses, and residents together from Iceland, Denmark, Norway, Sweden, Finland, the United Kingdom, Canada, and the United States. This Summit will not only connect plastic surgeons professionally from across the Atlantic Rim and beyond, but also will help forge and reinforce friendships that can last throughout our careers. Featuring three clinical tracks, as well as social events each evening, TAPSS is designed to set a new standard in educational and wellness excellence.

The Summit will be held in Harpa Reykjavik Concert Hall and Conference Centre that is located in the heart of Reykjavik, overlooking the Faxaflói bay and Mount Esja. It is close to most of the Summit hotels, art galleries, shopping areas and restaurants.

Co-operation with the industry is essential for a high-quality conference and we hope for your support to make the Summit successful. Approximately 600 participants are expected, most of whom are specialists in Plastic Surgery.

The TAPSS 2020 will be the perfect opportunity to interact with specialists from the Nordic Countries, USA, UK and Canada within the field of Plastic Surgery. The day after the Summit, 17 June is The Icelandic National Day and celebrations in Reykjavík take place from early in the morning until late in the evening. The program includes family oriented entertainment with street theatre and a variety of wonderful activities, followed by a concert at Arnarhóll – near the Summit venue.

The TAPSS 2020 will be held in Harpa, Reykjavik's spectacular conference and concert hall, located by the harbor in downtown Reykjavik. www.harpa.is
